7. MITTEMANN, Soviet purchasing and sales official, has ordered the immediate sale of stocks at the pipe warehouse in Lobau (Rohr Lager Lobau).\*\*\*\*\*\*\*

this warehouse, which was partially dismantled during

this warehouse, which was partially dismantled during 1947 and 1948, is owned by French interests. Recently the SMV Kantgasse office ordered WOERLE, manager of the warehouse, to draw up documents showing that the precision steel pipe had been sold for 40 groschen per kilogram instead of the actual sale price of 2 schillings per kilogram, the Soviets intend to refer to these false documents

in the event that the French claim compensation for the piping.

The SMV headquarters in conjunction with the Austrian Communist Party are making a concerted effort to staff SMV units with reliable and efficient Communist employees and, [ the KPOe section which recommends new Communist workers for employment is to be responsible for a worker's efficiency and conduct. Twenty workers and seven salaried employees at the Nova refinery and 40 workers and eight salaried workers at the Moosbierbaum refinery have been dismissed and replaced by Communist Party members. At the same time OROP has been rdered to hire those Communist employees released by various SMV

25X1

3,125.30

25X\*\*\* his piping from an unspecified Danube port

25X#\*\*

Comment: This price seems too low for usable seamless pipe and too high for scrap. It is possible that the stocks vary considerably in quality and are to be sold unsorted and ungraded. 25X1

25X\*\*\*\*

Comment: The Kledering refinery was ment projects in which the Soviets are currently inv it was reported that two new refining ovens wer refinery. Although it is believed that these ovens are necessary replacements for worn-out equipment installed early in the war, it is another indication of Soviet interest in maintaining peak production at Nova.

25X\*\*\*\*\*

Comment: This information on dismantling and demolition of installations at the Moosbierbaum and Wiener Neudorf refineries has not been confirmed by other sour
